

**Department of Anthropology
University of Delhi**

Ph.D recipients

Sl.no	Year	Author	Topic of Thesis
1	1959	Singh, Indera Paul	Inheritance of Fingerball Patterns in a Human Population
2	1959	Tiwari, SC	Ethnological studies of the Rajis
3	1959	Mavalwala, Jamshed D.	Anthropometric survey of the Parsi community of India
4	1959	Mehra, Jai Dayal	Ethnological study of the Shokas with special emphasis on social structure and culture change.
5	1960	Datta, Prem Kumar	Studies on the racial variation and inheritance of planter dermatoglyphic pattern and main lines.
6	1961	Anand, Swadesh	Frequency of A,B, O blood groups and secretor factor in the Punjabi's (Khatris and Aroras)
7	1962	Sharma , Abhimanyu	Study of palmer dermatoglyphics of Burmans: Certain fresh methodological approaches as based on Burman data.
8	1963	Srivastava, Prabodh Kumar	Palmer dermatoglyphics of Murias and Marias of Bastar
9	1963	Bhalla, Vijendra	Genetic analysis of ABO MNSs, Rh and fiya blood group systems in endogamous groups of Punjabi Hindus and an associated blood groups with tuberculosis.
10	1964	Seth, Praveen Kumar	Metrical and anatomical observations on Indian lorises: Loris tardigradus lydekkerianus and nycticebus coucang.
11	1965	Bali, Rachhpal	Toe- dermatoglyphics inheritance and comparison with the finger ball patterns.
12	1965	Bhattacharya, Dibyendu Kanti	Study of ABO, Rh-Hr and MN blood groups among Anglo-Indians of India with note another genetical and morphological characters.
13	1965	Ray, Sachindranath	Adis of the North East Frontier Agency with special reference to their cultural and physical aspects.
14	1966	Bardhan, Amita	Relationship of physique with menarche of the Punjabi and Bengali girls.
15	1967	Srivastava, Suahma	Study of some genetical characters among four endogamous groups of Kayasthas of Uttar Pradesh.
16	1967	Pradhan, Neela A.	Study of some genetical characters among five endogamous Maharashtrian groups.
17	1967	Sharma, Parmanand Dash	Inheritance of head form in man with reference to some of the head indices and the head module

18	1967	Bhasin, Mohinder Kumar	Genetic survey among the Newars of Nepal.
19	1967	Ramchandriah, T.	Genetic study of the Lambadis of Andhra Pradesh.
20	1968	Yadav, Jaswant Singh	Delhi village in transition: A study of changing family, caste and power pattern.
21	1968	Raghubir Singh	Somatometric study of the Punjabi Hindu Khatri (male) with special emphasis to growth
22	1968	Taneja, Kusum	Quantitative estimate of anatomical positioning of the palmer triradii: Association between proximo-distal(longitudinal) and radio-ulnar(transverse) trends.
23	1969	Chattopadhyay, Prasanta Kumar	Genetic study of the Jats of Delhi and the Punjab
24	1969	Subramanyam, Y. Subhashini	Some aspects of social change in a Fringe village in Andhra Pradesh.
25	1969	Biswas, Nivedita	Cross- section study of growth of Punjabi- Khatri girls(17 yrs 0 months to 20-IImonths) with special reference to some selected bodily measurements.
26	1970	Ghosh, Bhaskar Ranjan	Effect of Urbanization on the family organization of Delhi village with special emphasis on the impact of land acquisition.
27	1970	Indira Kumari	Quantitative estimate of anatomical positioning of planar triaradii with special reference to sex differences in localization and association.
28	1970	Sapra, Pushpinder	Investigation into sex differences in anatomical localizations on palmer trirad ii, d, c, b, a, t and Association.
29	1971	Kalra, Pramod	Genetic survey among the Sindhis of Delhi
30	1971	Surinder Nath	Study of age –changes of different biological variables in the Jat Boys of Meerut (U.P)
31	1972	Mann, R.S	Analytical study of social structure and social changes in a Delhi Village
32	1974	Gupta, Ganshyam Das	Dermatoglyphic investigation on configurational complexes and terminal triradius on the fingertip area in relationship with A-L-W configurational complexes on fingerballs.
33	1974	Darshan Singh	Comparison of the growth pattern of school boys of well-to-do Punjabi speaking parents residing in four different states.
34	1974	Chakravarty, Manjula	Inheritance of plantar intertriradial ridge- counts
35	1974	Ghosh, P.K	Morphological variability of human chromosomes in two Indian populations Rajputs and Punjabis (Khatri and Aroras) with special reference to Y- chromosome.
36	1975	Bharadwaj, Hari	Study of inheritance of bronchial asthma, and its genetic relationship with closely associated

37	1975	Channa, Vardesh Chander	Caste identity and distinctiveness in a metropolis with special reference to marriage and dowry: The caste of the Aggarwals in the walled city of Old Delhi.
38	1976	Roy, Shibani	Status of Muslim women in North India(A study in dynamics of change)
39	1976	Malik, Shanti Lal	Age changes and few biological responses at high altitude: A study among male Bodhs of Ladakh
40		Basu, Salil Kumar	Inheritance of middle phalangeal and basal phalangeal configurations
41	1976	Saxena, Madhu Bala	Chromosomal studies in Macaca Mulatta with reference to Karyotypic evolution.
42	1977	Banerjee, Sarla	Spectrophotometric study of the variability of skin colour and its inheritance among the Punjabis.
43		Bansal, Inderjit Singh	Inheritance of some morphological characters in man
44	1978	Satwanti	Body fats in young Punjabi women: A densitometric and anthropometric evaluation
45	1978	Gaur, Neelam	Study of dermatoglyphics in familial deafness
46	1978	Chand	Study of body density, body volume, leg volume and arm volume of Punjabi females.
47	1979	Kenue, Ravinder Kumar	Human chromosomal heteromorphisms: Types and frequencies among Jats of Delhi
48	1979	Mehta, Shalini	Hindu-Muslims relationships in Delhi: A study of identity maintaining mechanism
49	1979	Tara Devi	Biochemical genetics and mental retardation
50	1979	Ratanjeet Singh	Age changes in biological variables in transhumant and settled populations: A comparative study of the Gaddi Rajputs and Brahmans of sub-tehsil Bharmour District Chamba and Distt. Kangra, Himachal Pradesh
51	1979	Kshatriya, Gautam Kumar	Morpho-genetic study of two mendelian isolates-Kolis, A tribe and Rajputs, A caste of district Panchmahias, Gujarat
52	1979	Lalit Kumar	Micro-evolutionary dynamics of the Ahmadiyyas of Kashmir valley
53	1979	Bakshi, Ravdeep	Anthropometric measurements and age at menarche of Punjabi mothers and daughters
54	1980	Gopal Krishan	Study of parental consanguinity and effects on anthropometric measurements and dermatoglyphics
55	1980	Kanwaljit Singh	Age changes in biological variables among high altitude Bodh males of Lahaul thehsil, Lahual spili district, Himachal Pradesh

56	1980	Bharadwaj, Veena	Study of genetic polymorphisms of red cells among five population groups of Lahaul tehsil, district Lahaul-Spiti and District Kulu, Himachal Pradesh
57	1981	Rajni Rani	Cytogenetic study of Macaca Mulatta with reference to G- Banding C- B anding, NOR Staining and Brd U/Hoechst techniques
58	1981	Roy, Indrani	Perspectives in mental retardation: An evaluation of chromosomal, dermatoglyphic and growth aspects
59	1981	Shukla, Arun K.	Behavioural repertoire of the free ranging rhesus monkeys (Macacamulatta) in different ecosystems
60	1981	Shoba Rani	Study of genetic markers in the human serum in mentally retarded individuals
61	1981	Sharma, Kadambari	Study of finger and palmer dermatoglyphics incongenital hear defects.
62	1981	Channa, Subhadra	Traditional and rationality in economic behaviour: The case of the Sheheri Sub-Caste of the Dhobis in Delhi
63	1981	Rao, Polturi Venkateswara	Human chromosomal heteromorphism and association between chromosomes among newborns of Delhi.
64	1981	Makol, Neelam	Study of genetic markers (ABO, MN, RH, H, ABH Secretion, PTC) and human infertility.
65	1981	Kapoor, Anup Kumar	Study of genetic variability among the Johari and Rang Bhotias of Indo-Tibetan and Indo- Nepal Border, district Pithorgarh(Uttar Pradesh), India.
66	1981	Ghosh, Reita	Chromosomal heteromorphism in two North Indian populations Rajputs and Punjabis with reference to QFQ, CBC and 5-Bromodeoxyuridine/33258 hoechst techniques.
67	1981	Bhasin, Veena	Ecological influence on the sociocultural system of the Gaddis of Bharmour sub-tehsil, Chambra district, Himachal Pradesh.
68	1982	Sudhakar, K	Population genetic studies among four tribal groups of Surat district of Gujarat.
69	1982	Sadhu, Kanan Kusum	Bio-demographic study of the Kashmiri Pundits and the Kashmiri Muslims.
70	1984	Joshi, P.C	Illness, health and culture: Dynamics of therapy in a central Himalayan Tribe.
71	1984	Kaur, D.P	Secular trend in height and heritability of body measurement in an Indian Population: A family study in Urban and Rural environments.
72	1984	Shashi Bala	Qualitative and quantitative study of amniotic fluid proteins.
73	1984	Mahapatra, Krishna	Study of the dynamics of socio-cultural among the Bondas: A tribal community of Orissa.

74	1984	Mawar, Nita	Fertility behaviour among the Rajput women: A study of pattern perceptions of fertility and family planning among the Rajput women of Udaipur.
75	1984	Syed Hasan Mujtaba Rizvi	Study of genetic characteristics of Shia and Sunni muslim groups of Lucknow.
76	1984	Sharma, Ashok Kumar	Comparative study of dentition and dental arches among ten population groups of India.
77	1985	Murphy, C.P.H	Feasting and Fasting: The meaning of Muslim food in Delhi.
78	1985	Sharma, Neelam	Differential patterns of craniofacial growth and body size: Factors analysis of Punjabi Girls.
79	1985	Sharma, Madhu Bala	Comparative study of age changes in biological variables among eight migrant Nepali Population groups of Sikkim Himalayas.
80	1985	Murthy, V.V.V.S	Cyogenetic study on pre-cancerous and cancerous lesions of cervix uteri.
81	1985	Neeti Bala	Study of fertility among the Vaish women of Aligarh, Uttar Pradesh.
82	1985	Gupta, Shashi Prabha	Biodemographic study of the Rajputs and the Jats of the rural Haryana.
83	1985	Fernandes, Philomena	Study of the factors influencing demographic structure of the Warli and Kokna tribe of the Union Territory of Dadra and Nagar Haveli.
84	1985	Badkur, Prabha	Estimation of bone length and stature from measurements on human long bones of Madhya Pradesh, India.
85	1986	Verma, Rashmi	Study of the trends in Obesity and leanness among Punjabi families.
86	1986	Shome, Debashish	Cytogenetic studies in infertile male.
87	1987	Khanna, Sushil Kumar	Anthropometric and dermatoglyphic variation in occipito-atlantal fusion- A rare congenital anomaly.
88	1987	Mukhopadyay, Prasun	Intra and Inter population variations in Lodhas, Mahalis and Mundas of West Bengal.
89	1987	Mehra, Sukhvarsha	Ecogenetics of congenital craniofacial malformations: Cleft lip and palate.
90	1987	Usha Mahadevan	Determinants of population trends among the Tamil Brahmins of Tamil Nadu.
91	1987	Chopra, Pravesh Kumar	Behavioural profile of free ranging Rhesus monkeys.
92	1987	Sarin, Kumud	Genetic epidemiology of malaria in some population groups of Delhi and two Tribal groups of Tarai region of Nainital district.
93	1987	Vasantha, K	Study of the inheritance of color sense perception and its relation to parental consanguinity among Tamil Brahmins.

94		Kumbani, H.K	Inheritance of palmer configurations.
95	1988	Chatterjee, Basanti	Cytogenetic studies in patients with Hepatitis.
96	1988	Hema Latha, G	Dermatoglyphic study of mentally retarded children.
97	1988	Mittal, Monica	Ergonomic evaluation of lift posture interpostural and sex differences in the Koli labourers.
98	1988	Dey, Swarupa	Antigenetic and biochemical variations in relation to Malaria among the Ao Nagas.
99	1988	Dey, Sruti Kona	Black and red ware of Ahar and Brahmagiri: A merical study of Variability.
100	1988	D'Souza, Hector S.J	Aggression, Strategy for survival: A macro to micro level study of Nagas of north-east India with special reference to Angami Nagas.
101	1988	Mehta, Renu	Centromeric decondensation, asymmetric decondensation and centromeric separation induced by distamycin a alone and in combination with 5-bromodeoxyuridine in human and mice chromosomes.
102	1988	Banerjee, Sharmila	Changes in Lung functions, working efficiency and body composition with age and sports activity among girls.
103	1988	Babu, Kandregula Suri	Fertility differentials among two occupationally different communities: Yadava and Kamma in Krishna and Suntur districts of Andhra Pradesh.
104	1989	Satish Chandra N.	Fetal growth and development: An anthropological appraisal.
105	1989	Basu, Koumari	Cytogenetic study in couples experiencing repeated spontaneous abortions.
106	1989	Batra, Meenu	A comparative study of morphological characteristics of footballers and basketballers of Delhi.
107	1989	Jain, Rita	Effect of institutionalization on physical growth intellectual capacity and personality development of boys and girls.
108	1990	Mohinder Prakash	Comparative demographic study of high altitude and low altitudes Bods of Himachal Pradesh.
109	1990	Bhattacharya, Mallika	Dynamics of Changing economic and political relations: A study of the effect of..... in three villages of Western Midnapur, West Bengal.
110	1990	Roy, Prateep	Study of genetic diversity among the Gonds (Scheduled tribe) and Gandas (Scheduled caste) of Bastar, Madhya Pradesh.
111	1990	Patnaik, Kishore Kumar	Physique and fitness of male athletes.
112	1991	Pathak, Manju	Stability study of some polymorphic enzymes (EsD, CA-II &GLO-I) in post mortem tissues in varied conditions of storage and temperature an its relationship with time since death.

113	1991	Mathur, Nita	Making of a cultural being: An anthropological study of enculturation, dance and emotion among Tamil Brahmins in Delhi
114	1991	Verma, Suman	Anthropological study of blood pressure among Punjabis Khattris.
115	1991	Pandey, Atul Kumar	Ecology and Tribal demography: A comparative study of Idu and Igaru Mishmis of Arunachal Pradesh.
116	1991	Malik, Prabha	Familial correlations and heritability of body dimensions of adult Punjabi Khattris in Delhi.
117	1992	Khanna, Asha	Study of genetic polymorphisms of red blood cells among nine population groups of Jammu and Kashmir, India.
118	1992	Swami, Anju	Occupational health hazards in stone quarry workers.
119	1992	Sharma, Ram Parvesh	Palmer dermatoglyphics in primary infertile females.
120	1992	Sachdeva, Varsha	Study of age changes in body size and shape among Bengali females.
121	1993	Patnaik, Soumendra Mohan	Paraja social structure and change: A study of impact of displacement and rehabilitation.
122	1993	Mondal, Prakash Ranjan	Anthropo-genetic study of primary(idiopathic) generalized epilepsy with reference to fingerball dermatoglyphics.
123	1993	Mehrotra, Nilika	Study of women's organizations and women activism in Delhi.
124	1993	Goswami, Vikas	Availability and utilization of health and family welfare services by the Kols and the Patels of Murwara tehsil, Jabalpur, Madhya Pradesh.
125	1993	George, Sophia	Anthropological study of fertility, mortality and planned parenthood among the Syrian Christians of district Pathanamthitta, Kerela.
126	1993	Balvinder, Kaur	One year follow up study of physical growth, dental development and sexual maturation of well nourished Punjabi girls from birth to twenty years.
127	1993	Jain, Kavita	Effect of socioeconomic status on the physical growth and maturational sequences in different body segments among Jain females of Delhi.
128	1993	Harshawardhana, Aradhna	Effect of mental retardation on human physical growth.
129	1993	Mukherjee, Paushali	Acute phase reactant profiles in pulmonary tuberculosis: A study of a-antitrypsin, ceruloplasmin, haptoglobin transferring and immunoglobuline.
130	1994	Rath, Swetansu Shekhar	Comparative assessment of growth patterns among Kondy and the Pano boys of district Phulbani, Orissa.
131	1995	Ravinder Singh	Study of age changes in different body dimensions among male Yadavs of Delhi.

132	1995	Malik, Nitin	Cytogenetic study in patients with primary amenorrhoea with special reference to X-chromosome abnormalities.
133	1995	Bhargava, Deepti	Anthropogenetic study of the infants of insulin dependent diabetic mothers
134	1995	Joyce, K.P.	Physique and fitness among Bharatanatyam dancers with special emphasis on dance related injuries
135	1995	Sharma, Parveen kumar	Estimation of status from finger tip length and finger print tip length among criminals
136	1996	Kumar Amarendra Narayan Singh	Social change and development: A study of the Dublas of South Gujarat
137	1996	Vijay Kumar	Physique and physical fitness among Bengali Kayastha boys of Delhi
138	1996	Bose, Shika	Genetic studies in chronic myeloid leukemia
139	1996	Jain , Usha	Cytogenetic and molecular studies of fragile syndrome
140	1996	Sahay, Ragini	Religious ideology and structure of gender roles in domestic domain: Study among Meos: A muslim community of rural Delhi
141	1996	Chandna, Vonita	Anthropological study of the reproductive performance and birth control among the slum Dwellers of Delhi
142	1997	Oskuei, Parim Golabi	Study of genetic markers and associated risk factors with coronary heart disease
143	1997	Roy, Sunita	Study of age changes in different body dimensions among the jat females of Alipur block, Delhi
144	1997	Trikha, Navneet	Evaluation and management of work stress among grinders: An ergonomic study
145	1997	Mehra, Priti	Gaddi women: work and position socio- economic and ecological implications
146	1997	Paul, Sushmita	Anthropo- demographic study among the Kumauni caste groups and Bhotia tribal groups of Uttarakhand
147	1997	Agarwal, Shiwani	Anthropometric study of the new born babies
148	1997	Mohanty, Manmath Kumar	Finger- ball dermatoglyphics in B- thalassemia
149	1997	Roychowdhury, Madhumita	Factor VIII gene polymorphisms in Indian population and their clinical application
150	1998	Das, Subha Sankar	Population structure of Oraons of Purulia

151	1998	Mahapatro, Meerambika	Study of reproductive performances, morbidity, maternal child health and birth control devices among the Bhattara tribe, Nowarangpur district, Orissa
152	1998	Gulati, Seema Malik	Anthropological study of nutritional status and its functional consequences among the Lanjia Saoras of Rayagada district, Orissa
153	1998	Baranwal, Deepshikha	Ethnomedical system of Muria tribe: A holistic perspective
154	1998	Basu, Sumana	Health need assessment of tribal populations of district Midnapore, West Bengal
155	1998	Surendra Kumar Singh	Ethnomedical profile of the Hos: study in witchcraft
156	1998	Ghosh, Abhik	Oraon symbols: A study of their Worldviews in time and space in Chotanagpur (Bihar)
157	1998	Chhibber, Shivani	Comparative study on physical growth and mental development among public and government school girls of Delhi
158	1998	Sumider Kaur	Estimation of stature from different body dimensions among male and female Sikhs of Delhi
159	1998	Sharma, Anima	Thakur Gonds in transition: A study in social change
160	1998	Vashum, R	Nagas and the questions of self- determination: An anthropological historical perspective
161	1998	Bhardwaj, Shaila	Nutritional status among the adult Dhanka tribals and Brahmins of Rajasthan (Alwar district): An analysis of the impact of socio-economic conditions on health and physique.
162	1998	Nag, Shampa	Anthro- demographic study among the population groups of Ladakh in Jammu and Kashmir, India
163	1998	Gulati, B. R.	Sexual Behaviour among the Bhils of Rajasthan: An anthropological study
164	1999	Devkota, Padam Lal	People- centered development in Nepal: An innovative approach
165	1999	Serto, Leban	Morphological and physiological variation among drug user and non drug user adolescent and adult males in the northeast India: A comparative study.
166	1999	Renuka	Studies on polymer based inorganic ion
167	1999	Nandita Singh	Understanding identity and its integration: A study of the Mundas of Chotanagpur
168	1999	Chaudhury, Sukanta Kumar	Social organisation and change: A contemporary study of Kondhs of Orissa
169	1999	Jain, Preeti	Estimation of stature from various body dimensions among Jains of Delhi

170	1999	Deb, Rumi	Study of reproductive and anthropometric profiles of the mothers of the children with neural tube defects (NTD)
171	1999	Gakhar, Inuka	Physical fitness of Jats of Delhi: Age changes, sex differences and relationship with selected Bio- cultural factors
172	1999	Maheo, Lorho Mary	Study of demographic dynamics of the Mao Naga tribe of Senapati district, Manipur with special reference to birth control measures
173	1999	Shubha Vashima	Environment and resource management among the Murias of Bastar, Madhya Pradesh
174	2000	Jena, Surendra Kumar	Habitat economy and society: A study of Kharia of Similipal of Mayurbhanj district, Orissa
175	2000	Sewani, Ashoo	Study of finger ball dermatoglyphics of the females afflicted with the cancer of breast
176	2000	Elizabeth, A.M.	Demo- genetic study of the Thoti tribe of Andhra Pradesh
177	2000	Saraswathy, K.N.	Demo-Genetic dynamics of Kolam tribe of Andhra Pradesh
178	2000	Dwivedi, Anuradha	Assessment of growth patterns and sex differences in different body dimensions among Jats of Gurgaon
179	2000	Goswami, Shanta	Gender roles among the Bauls for Bengal
180	2000	Khanna, Sonali	Finger ball patterns in patients afflicted with chronic myelocytic leukemia
181	2001	Sunita Devi, Loitongbam	Estimation of stature from different body dimensions among Meiteis of Manipur
182	2001	Khiloni, L	Study on the finger ball dermatoglyphics of the patients afflicted with pulmonary tuberculosis.
183	2001	Sarkar, Arachana Roychowdhury	Experience of disability: A study on the aspects of socialization and family building among the blind married women of Delhi and its outskirts.
184	2001	Murry, Benrithung	Demographic dynamics and anthropogenetic study of the Lotha Naga of Nagaland.
185	2001	Tyagi , Renu	Socio-biological aspects of ageing phenomenon among institutionalized and non institutionalized senior citizens
186	2001	Patra, Prasanna Kumar	Demographic profile with reference to development programmes among the Rajis: A primitive tribe of Uttaranchal
187	2001	Khanna nee Wadhwa, Geetaa	Mother-child fat distribution changes and correlations for age at menarche, adiposity, other body measurements and secular trend among Punjabi Aroras.

188	2001	Sen, Juthika	Cognitive and decision making aspects of medical pluralism: An ethnographic study of Mehrauli, and historical neighbourhood of Delhi
189	2001	Barua, Nupur	Alternative medicine among the urban Assamese: A study of medical system as a dimension of the social and cultural system
190	2001	Manoj kumar Singh	Prehistory of Kharagpur hills, South Bihar
191	2001	Srivastava, Shefali Gouraha	Changes in the society as reflected in the Narmada rehabilitates villages
192	2002	Mungleng, Achan	Problems of tribal identity: The Taroos of Manipur
193	2002	Bandyopadhyay, Tarun Kumar	Ethnomedical practices among the Oraons of Naogaon in Bangladesh
194	2002	Biswas, Ranjan Kumar	Demographic study of Saharia: A primitive tribe of Madhya Pradesh
195	2002	Satish Kumar	Genetic structure of the scheduled tribes of Rajasthan
196	2002	Avanish Kumar	Care and cure in the context of culture: The case of tuberculosis patients in Kanpur, Uttar Pradesh
197	2002	Mugdh, Mrinal	Ecology and culture: case of Machhi of Daman
198	2002	Pandita, Promila	Demographic profile of the tribes Bhils and Minas of Rajasthan
199	2002	Jain, Sweta	Age changes in biological variables among the tribal groups Minas, Bhils and Sahariyas of Rajasthan
200	2002	Majumdar, Karabi	Study of Jain women ascetics with an emphasis on the region of Delhi
201	2002	Datta, Shveta	Use of bone fragments in prediction of bone length
202	2002	Misra, Pramod	Ecology, culture and health among Saharia: A primitive tribe of Rajasthan
203	2002	Mitra, R.P.	Ethnic identify in exile: The case of the Tibetans of Delhi and Dharamsala
204	2003	Bhattacharya, Aruna	Study of environmental factors affecting the occurrence, transmission and treatment of pulmonary tuberculosis in urban slums of Delhi
205	2003	Tungdim, Mary Grace D	Tuberculosis and its treatment: A biosocial study among tribal population of Manipur
206	2003	Chatterjee, Sonali	Economic development and the changing position of tribal women: A study of transformation in Maria society
207	2003	Daljeet Singh	Development and change: A study of a village in Punjab
208	2004	Khanna, Rajesh	Ethnic groups and health development: A study of district Kinnaur, Himachal Pradesh

209	2004	Urfat Anjem Mir	Emergence of post traumatic stress disorder and impact of traumatic events on the role performance of adolescents in Jammu and Kashmir
210	2004	Dabral, Shweta	Demographic profile of Gujjars of Delhi with special reference to maternal and child health status
211	2004	Srivastava, Anita	Culture change in Bhil tribes of Udaipur district, Rajasthan
212	2005	Veronica, H. T. Rozy	Gender and identity among anal women of North East of India: An anthropological study
213	2005	Dhar, Sanjali	Natural resource management among Brogpas of village Garkun of Kargil in Ladakh
214	2006	Virdi, Komal	Linkage disequilibrium studies in Indian population: Perspective from repeat polymorphisms
215	2006	Krishnakumari, Pebam	Anthropological and epidemiological study on the reproductive health of women in Manipur: A rural/ peri urban comparison
216	2006	Narang, Mala	Continuity and change in an Angami Naga village
217	2006	Gautam, Rajesh K	Population characteristics of middle and high altitude Kinnaura of Kinnaur district, Himachal Pradesh, India
218	2006	Puja	Culture, population and health of Jat Sikhs: The case of a village in Punjab
219	2006	Paliwal, Mridula	Effect of HIV on social relation: A comparative study of Delhi and Lucknow
220	2006	Das, Mitoo	Menstruation narratives: Rituals and restrictions in Simlitola Assam
221	2006	Rajesh, Pankaj	Health and illness: A study among the Birhor of District Hazaribagh, Jharkhand.
