A. Meeting began with the Head of department addressing all the students and teachers of respective courses in Physical Anthropology about the purpose of meeting which was to discuss about any problem or query of students regarding any subject material provided, assignments given, online classes and dissertations.

B. All the students were given chance to speak about the issue. Most of the students informed head of the department that teachers of respective papers had covered most of the portion before mid-semester break and remaining part was covered through online classes and online study material. They also informed that teacher of respective papers are always available to them via email or through other online platforms for clarification of their queries.

- C. Faculty members informed that they have completed their respective courses in Physical Anthropology. Students have also submitted assignments and project reports to them in time.
- D. Head of department suggested students to be 'exam ready' and keep checking university as well as department website for updates. Regarding dissertation he informed all the students to submit final report to their respective supervisors before end of this month.
- E. Dr.K.N Saraswathy suggested regarding that students should submit their dissertation to respective supervisor and supervisor can further provide a certificate to student that student dissertation are good for final submission. Further, all the supervisors shall inform head of department about final submission of student dissertation. This suggestion was unanimously accepted by all.

The meeting ended with note of thanks to Head of the department.

Prof. P. C. Joshi
Head, Department of Anthropology
